

Be Part of a Top Workplace

Detroit Free Press
A GANNETT COMPANY

“Our people are our business, and it’s my job to ensure they have everything they need to provide 24x7x365 support to the thousands of doctors and nurses who count on our IT expertise. This includes fostering a culture where employees can learn, grow and personally contribute to the company’s success. I’m delighted to know our employees agree, and that through their survey responses, have confirmed CareTech Solutions is one of Michigan’s top workplaces.”

JIM GIORDANO
President and CEO
CareTech Solutions

CareTech Solutions has ranked as a Top Workplace for the last five years — 2009, 2010, 2011, 2012, 2013 & 2014.

Do you have “Whatever IT Takes”?

CareTech Solutions is an information technology and Web products and services provider for more than 200 U.S. hospitals and health systems. The company grew from one customer in 1998 to having a national presence today. It’s growth is due in large part to employees embracing the company’s motto, “Whatever IT Takes” in their delivery of exceptional IT and Web support for customers.

Why work at CareTech Solutions?

In return for providing extraordinary value for its customers, employees are rewarded with competitive salaries and benefits, as well as, opportunities for professional growth. Training and tuition reimbursement programs are just a few of the perks offered in an environment where work-life balance is encouraged, and having fun is mandatory.

How is a Top Workplace selected?

The *Detroit Free Press* Top Workplaces are selected through an annual survey that covers employees’ feelings on workplace factors such as work-life balance, honesty, values and ethics, growth opportunities and confidence in leadership among other issues. The results and rankings come solely from anonymous employee responses.
