

# + SOLUTION FOUND

"CareTech handles it all, from strategic IT leadership and resource planning, to running Holy Family Memorial's day-to-day IT operations. With CareTech as our IT partner, my leadership team can stay focused on what's really important - providing the highest levels of patient care."

**Mark Herzog**  
President & CEO  
Holy Family Memorial  
Manitowoc, Wisconsin

## Looking for an IT outsourcing partner? Look no further.

CareTech Solutions is proud to serve over 150 hospitals across the nation, including Holy Family Memorial. Our long standing partnership has helped Holy Family Memorial follow a clear path toward Meaningful Use, achieve Most Wired status, and a Level 6 designation on the HIMSS Analytics EMR Adoption Model resulting in a culture of patient safety and quality. Let us know how we can serve you.
