

# Facing the legacy decommissioning challenge?

## 10 Reasons to Consider iDoc™ Archive

1. All of your data in one place with easy, reliable, seamless access
2. Secure storage in the Tier 3, AHA-endorsed CareTech Solutions data center
3. Comprehensive data back-up and disaster recovery, complying with all HIPAA requirements
4. Conversion services and acceptance of multiple data formats
5. Data reorganization (i.e., creating directories) for ease of access
6. Free up physical space in your facility
7. Enhance the productivity of your team
8. Tap into CareTech Solutions' wealth of healthcare IT experience
9. Considerable cost savings compared to other options
10. Ability to add in future archived data to your current iDoc Archive database as other systems are decommissioned

Legacy decommissioning is a major challenge in today's healthcare IT environment. Through iDoc™ Archive, CareTech Solutions offers an affordable, secure, reliable way to store and access historical patient data.

CareTech Solutions is an IT and Web products and services provider for U.S. hospitals and health systems. We create value for clients through customized IT solutions that contribute to improving the patient experience while lowering healthcare costs.

CareTech Solutions is leading the path in innovative information technology and end-user interface services for U.S. hospitals and health systems. The company helps healthcare organizations leverage emerging digital technologies to improve the quality of healthcare delivery and clinical outcomes. **For more information call us at (877) 700-8324 or visit our website at [www.caretech.com](http://www.caretech.com).**
